2

🏎️ MAX SPEED
32km/h

🔋 BATTERY
Lithium 173ah
Solar Panel

⚙️ MOTOR
48V – 4KW

🕒 CHARGING
Smart Charger

SUMMARY

Our goal is to assist you in making your event run smoothly by ensuring the carts you rent from The Golf Buggy Guy have the latest technologies that mitigate typical issues encountered when renting buggies for events.

The Cruzz HR2C is our workhorse cargo cart. It comes with sides on the box that easily fold down on three sides to create a flat-bed for irregular shaped loads. The lifted cart is ideal for events where the ground is uneven.

THE GOLF BUGGY GUY UNIQUE FEATURES:

TECHNOLOGY

- GPS cart tracking
- Operational area zone control via geo fencing
- Remote battery monitoring
- Cart grouping via RFID keys

POWER

- 173ah lithium battery for extreme run time
- Smart/fast chargers
- Solar panels to augment charging and add to your ESG credentials
